(DESCRIPTIONS)

Point	Description
<b>LI01</b>	Just behind the corner of the fingernail of the index finger, on the side closest to the thumb.
<b>LI04</b>	On the back of the hand between the thumb and index finger metacarpal bones. Find the spot midway on the bone that connects the index finger to the wrist. Sometimes this point is easy to find by squeezing two fingers together to form a small mound and marking an imaginary point at the peak of that mound. Then probe inward toward the main body of the hand, right on the bone.
