Points

AcuPoint Analysis
PROSTATE HYPERTROPHY
(DESCRIPTIONS)

Point	Description
C03	On the front center line of the body, in line with or slightly into, the pubic hair line.
G04	On the spine atop the third lumbar vertebra, in line with the waist on a "normal-waisted" person.
SP08	The width of one hand and two thumbs below the bottom of the kneecap, just behind the shin bone on the inner leg.
UB67	Just behind the outside corner of the nail of the smallest toe (direction away from the other toes). This point not to be used, if you are prone to chronic pain around the eyes or are pregnant.
