

**2001 Honda Shadow Sabre** in excellent shape with **41261** miles on it. I am selling because of health reasons. I purchased it a couple of years ago for \$3800 and \$3500 is current book value. I have made \$1550 improvements. I am asking for bluebook prices plus half of what I put in it **\$4275**. It is up to date on all service requirements and gets about 45 mpg at 65 mph. The hand warmers have a short that I have not got around to fixing and the auto safty shutoff on the kickstand needs to be replaced. Tank pack and handguards in some pictures are not included. I have made several improvements which include:

New leather Russell Seats	900.00	Most comfortable seat I have ever had.
Travel rack	75.00	
Engine rain guards	90.00	Makes riding in cold weather great.
Hand warmers	65.00	Surprising how warm it keeps the hands
Trailer Hitch	250.00	
Spare rear tire	110.00	
GPS wiring	23.00	
Tank protector	35.00	
Clymer Honda Repair manual	30.00	
Hardware for wind hand guards	35.00	
Total	\$1550
