

AcuPoint Analysis

EYE, RETINITIS

Points

- GB01** This point is not as far back as the large hollow of the temple. It is 1/2 cun from the bony ridge at the corner of the eye.
- LV03** Two cun above the separation between the biggest and second toes, on the top side of the foot.
- ST01** Below the center of the eye in the small hollow which can be felt in the (orbicular) bone or eye socket bone.
- T10** In the depression made when the elbow is flexed, about 1 cun in back of the tip of the elbow bone.
- UB01** At the inner corner of the eye, very near and slightly above the tear duct; massage between the notch you feel above the eye in the skull and the tear duct.
