AcuPoint Analysis
MENSTRUATION
(DESCRIPTIONS)

Point	Description
C01	Midway between the anus and the sex organ, atop the crease like tissue.
C02	The width of 5 Cun below, and in line with the navel.
C04	3 cun below, and in line with the navel.
LI04	On the back of the hand between the thumb and index finger metacarpal bones. Find the spot midway on the bone that connects the index finger to the wrist. Sometimes this point is easy to find by squeezing two fingers together to form a small mound and marking an imaginary point at the peak of that mound. Then probe inward toward the main body of the hand, right on the bone.
P06	The width of two thumbs (2 Cun) above the most prominent crease on the inner wrist, in line with the middle finger.
SP06	The width of one hand (3 thumbs) above the crown of the inner ankle, just behind the shin bone on the front of the leg.
ST37	The width of one hand and two thumbs below the bottom of the kneecap, the width of one thumb to the outside of the front (shin) bone, in the direction of the small toe.
